*Course recommended or required to maximize transfer into UOPX based off Associate degree requirements to obtain an Associate of Arts Degree in Business from Houston Community College System. Students have the option of completing a Sophia Learning equivalent course to full the AA degree requirements based on HCC's consulting.

**Course recommended by UOPX outside of Associate degree requirements to reach transfer credit totals listed on pathway. Students may have other options to satisfy this course requirement at University of Phoenix, including Sophia Learning coursework. Students should consult an advisor at their respective institution if they would like to take courses outside of the recommended sequence.

+ Identifies upper division courses that can be waived using transfer coursework providing certain conditions are met upon admission to UOPX.

Students will still need to meet HCCS residency requirements to earn an Associate's degree from HCCS. Students will need to consult with HCCS to ensure they are meeting all necessary requirements for graduation. This pathway form does not supersede guidance provided by HCCS related to their programs.

NOTE: This breakdown represents the recommended course sequence a student should pursue in order to transfer into University of Phoenix. This summary is an estimation of credits only based on the current catalog and degree program requirements. Actual credit may vary based on each individual student's submission. Concentrations are reflected on the transcript only. All courses that apply to an associate's degree transfer to the University of Phoenix with the exception of remedial or vocational courses. Courses must have received a grade of C- or higher to transfer.
