You're always thinking about that next move — pursuing a civilian career, enhancing your military career or acquiring new knowledge. Our Associate of Arts with a Professional Focus is designed to give you the skills you need to realize those goals, including time management, organization, critical thinking, writing and interpersonal communication.

The Associate of Arts with a Professional Focus provides a solid foundation in liberal arts and sciences based on an overview of mathematics, physical and life sciences, humanities, social science and technology.

You may be able transfer up to 45 credits of college-level coursework, military training and national testing to partially fulfill the requirements of this degree. This program includes a professional focus that will appear on your transcript.

Focused areas of study:
- Communication Arts
- Mathematics
- Science
- Technology
- Humanities
- Social Science

Learn tangible skills:
- Communication
- Critical thinking
- Time management
- Organization
- Writing
