YOU MEAN BUSINESS. SO DO WE.

You're ready for more — opportunity, responsibility and authority. Our Master of Business Administration degree program provides the tools to help you get them. Study in a program accredited by the Accreditation Council for Business Schools and Programs (ACBSP®) and designed to give you the management and analytical skills critical to your success in business. Position yourself as a leader in business, today.

Customize your MBA to a specific discipline via concentrations or en-route certificates in one of the following areas: Accounting, Finance, Health Care Management, Human Resource Management, Marketing and Project Management.

Our degree program prepares graduates for a variety of careers in business, such as:

- Business administrator
- Operations manager
- General manager
- Store manager
- Plant manager
- Facilities manager
- Warehouse manager

Learn tangible skills:

- Advance organizational goals by integrating business global concepts and principles.
- Create global strategies for business growth.
- Solve organizational problems using analytical decision-making.
- Work cross-functionally within an organization.

Study a solid core curriculum:

- Management
- Strategic planning and implementation
- Organizational leadership
- Statistics
- Human capital management
- Finance
- Business law
- Accounting
- Marketing
- Economics
- Operations management

Build key business skills:

- Critical thinking
- Problem-solving
- Communication
- Information utilization
- Collaboration
