

5 STEPS

TO PREPARE FOR A SUCCESSFUL INTERVIEW

1

Pre-interview prep

Ease your interview nerves by prepping: Research the company, pack your bag, plan your commute and pick out your outfit.

2

Common questions

Become acquainted with typical interview questions and practice your answers.

3

Behavioral questions

Use the STAR (situation, task, action and result) technique to answer interview questions based on your behavior.

4

Tough question techniques

If you're asked a difficult interview question, take a minute to think about your answer or ask for clarification, but avoid overthinking!

5

Post-interview procedures

Stay in contact with your recruiter for next steps and send a thank-you email within 24 hours to everyone you interviewed with.
