Recommended Semester Credit Conversion - The standard formula for determining credit value is as follows:

15.0 hours of classroom learning is equivalent to 1.0 semester credit;

30.0 hours of Physical Education, Lab, Clinical or Self-Paced hours is equivalent to 1.0 semester credit.

University of Phoenix Equivalency: (General Education or Elective category to which credit can be applied)

Combinable: Courses may only be combined with courses of similar content, modality and General Education/Elective areas.

Non-Academic: Lack of college level theory and/or principle necessary for credit recognition. Company specific and skill-based training.

Too Few Hours: Courses/training that cannot receive credit because they are less than 1 hour total in length. Similar content in a 1(+) hour timeframe may be eligible for credit.
