

We're dreaming big.

My goal _____

My success is our success. A lot is going to change when I go back to school. To be successful, I'm really going to need your understanding and support. This journey won't be easy, but we can get through it together.

What's changing?

- I'm going to be busier.
- I'll be meeting up with classmates.
- I'll be doing coursework.
- I may miss some family activities.
- I may get stressed out.
- We may not spend as much time together.
