

CAEP OUTCOME MEASURE #7: Ability of completers to be hired in education positions for which they have prepared (initial & advanced levels)

The CAEP/NCATE approved programs are the Utah state-specific and Hawaii state-specific programs that are currently in teach-out. Details regarding the teach-out and the number of candidates in the program(s) during the reporting period are listed below to inform the review of the data measures presented for CAEP Impact Measure #7.

*UTAH:*

*The Utah state specific programs ceased the enrollment of new students in January of 2018 (initial teacher preparation and administration) and January 2019 (school counseling). During the 19/20 school year (September 1, 2019- August 31, 2020), the program had 26 program completers in the Master of Science in Counseling/School Counseling Program and zero (0) program completers in the initial teacher preparation programs. During the reporting period, University of Phoenix had one (1) active candidate in an initial teacher preparation program. Active candidates are defined as students who have posted attendance over the last 365 days who have not yet graduated during the reporting time frame.*

*HAWAII:*

*The Hawaii state specific programs ceased the enrollment of new students in April of 2018. During the 19/20 school year (September 1, 2019- August 31, 2020), the program had ten (10) completers in the initial teacher preparation programs. During the reporting period, University of Phoenix had six (6) active candidates in initial teacher preparation programs. Active candidates are defined as students who have posted attendance over the last 365 days who have not yet graduated during the reporting time frame.*

**ARTIFACT 1: Summary of University of Phoenix Completers and License Attainment**

**Utah-Specific Programs:**

Of the 26 completers in the Master of Science in Counseling School Counseling (MSC/SC) program during the report period (September 1, 2019- August 31, 2020), 100% of the graduates obtained their School Counselor (K-12) license from Utah State Board of Education. This information was verified by University of Phoenix by doing a manual look-up of candidates on the public search portal of credentialled educators in the state.

There were no program completers for the initial teacher preparation programs for the Utah-specific programs during the reporting time frame (September 1, 2019- August 31, 2020).

Candidates who obtain their license are eligible to be hired in education positions for which they have prepared.

**Hawaii-Specific Programs:**

Of the ten (10) completers in the initial teacher preparation programs during the report period (September 1, 2019- August 31, 2020), 100% of the graduates obtained their teacher's license (provisional or standard license) from the Hawaii Teacher Standards Board. This information was verified by University of Phoenix by doing a manual look-up of candidates on the public search portal of credentialled educators in the state.

Candidates who obtain their license are eligible to be hired in education positions for which they have prepared.
