

# Bachelor of Science in Health Management

This summary is an estimation of transfer credits based on current 2020 UOPX catalog and degree program requirements for the **Bachelor of Science in Health Management v. 001** program, and the 2017/2019 CCAF catalog and degree program requirements for the **AAS in Health Care Management** program at CCAF. Actual credit may vary based on each individual student's submission. However, CCAF AAS graduates will need no more than 60 credits to complete the BSHM degree program.

The University will accept courses that are numbered as non-remedial, college level, transferable, or degree applicable, as determined by the issuing institution.

Courses must have received a grade of C- or higher to transfer.
