

# VS

You save time and money by reducing your need to drive back and forth to a brick-and-mortar location.

Flexibly-paced study means you set your own schedule and work around your needs.

Can be accessed any time from anywhere as long as you have an internet connection.

Online degrees can be more affordable than traditional education.

**TELECOMMUTING VS.  
COMMUTING**

.....

**FLEXIBILITY VS.  
SET CLASS TIMES**

.....

**24/7 ACCESS VS.  
LIMITED ACCESS**

.....

**COST**

You need to travel to and from your school which adds miles to your vehicle, takes time out of your schedule and adds the cost of fuel to your budget.

Set class times that you have to work around as a student.

You can only engage with course content during class.

Higher tuition rates and more costly physical textbooks.
