This transfer guide is intended for students enrolled in the Los Angeles Pierce College and University of Phoenix Concurrent Enrollment Program (CEP). Students who are not enrolled in the Los Angeles Pierce College and University of Phoenix Concurrent Enrollment Program (CEP) should seek advisement from their respective institution if interested in the transferability of other programs.

NOTE: This breakdown represents the recommended course sequence a student should pursue in order to transfer into University of Phoenix. This summary is an estimation of credits only based on the current catalog and degree program requirements. Actual credit may vary based on each individual student’s submission. Concentrations are reflected on the transcript only. All courses that apply to an associate’s degree transfer to the University of Phoenix with the exception of remedial or vocational courses. Courses must have received a grade of C- or higher to transfer.

***identifies courses to be taken in a non-degree admission status prior to admission into the BSN 016 program.
