This transfer pathway guide used the following general education criteria: California General Education Transfer Curriculum (CAL-GETC)

*Course recommended or required to maximize transfer into UOPX based off Associate degree requirements to obtain an Associate in Science for Transfer Degree in Nutrition and Dietetics from Los Angeles City College.

**Course recommended by UOPX outside of Associate degree requirements to reach transfer credit totals listed on pathway. Students may have other options to satisfy this course requirement at University of Phoenix. Students should consult an advisor at their respective institution if they would like to take courses outside of the recommended sequence.
