### Institutional Credit Breakdown

|                                                                                                      |            |
|------------------------------------------------------------------------------------------------------|------------|
| Minimum Credits Required for Associate in Science for Transfer Degree in Business Administration 2.0 | 60 Credits |
| Credits Utilized from Associate in Science for Transfer Degree in Business Administration 2.0        | 62 Credits |
| Recommended Credits Outside AS-T Degree in Business Administration 2.0 to Maximize Transfer          | 25 Credits |

|                                                                   |            |
|-------------------------------------------------------------------|------------|
| <b>Total Credits Required to Complete Bachelor's Degree</b>       | <b>120</b> |
| <b>Total Los Angeles Mission College Applied Credits</b>          | <b>87</b>  |
| <b>Required University of Phoenix Credits (30 Upper Division)</b> | <b>33</b>  |

+ Identifies lower division courses that can be waived using transfer coursework providing certain conditions are met upon admission to UOPX.

NOTE: This breakdown represents the recommended course sequence a student should pursue in order to transfer into University of Phoenix. This summary is an estimation of credits only based on the current catalog and degree program requirements. Actual credit may vary based on each individual student's submission. Concentrations are reflected on the transcript only. All courses that apply to an associate's degree transfer to the University of Phoenix with the exception of remedial or vocational courses. Courses must have received a grade of C- or higher to transfer.
