Although our continuing teacher education courses are accepted by some state agencies in the United States toward teacher certifications and endorsements, this may not be the case in all states or foreign jurisdictions. If you plan to use courses for certification or endorsement, please check with your own state agency and your school district for applicability. Continuing teacher education courses are not eligible to apply to degree programs at University of Phoenix. These courses are not eligible for federal financial aid. Transferability of credit is at the discretion of the receiving institution. It is the student's responsibility to confirm whether credits earned at University of Phoenix will be accepted by another institution of the student's choice. While widely available, not all programs are available to residents of all states. Please check with a University Enrollment Representative
