

UNIVERSITY OF ARIZONA

All MSC/CCMH Residencies Moving Online for Remainder of 2020

August 4, 2020

Greetings CCMH Counseling Students,

While our country and the world persevere through the persisting COVID-19 pandemic, we have made the decision to move our College of Social and Behavioral Sciences residencies to a synchronous online format until further notice. Residency dates, times and content will remain the same, however, instead of attending in the classroom here in Phoenix, you will use Blackboard Collaborate, and other tools in our Blackboard online classroom, from your home (or any other appropriate location).

Although we are adjusting the curriculum and class activities to fit the online format, the rigor, course content, and clinical practical experiences, will remain robust, in order to best provide students with the necessary, practical hands-on experiences and clinical content.

Please contact your Academic Counselor with questions.

Thank you; and stay safe and healthy.

Sincerely,

Christina Neider, Ed.D.
Dean, College of Social and Behavioral Sciences

Jean Miller, Ph.D., LPC, NCC, ACS
Associate Dean, College of Social and Behavioral Sciences
