

UNIVERSITY OF PHOENIX

Notice to CSBS CCMH Counseling Students Regarding Online Residencies

May 22, 2020

Greetings CCMH Counseling Students,

You are receiving this message based on your current course schedule for a physical residency in Phoenix in August 2020.

While our country and the world persevere through the COVID-19 pandemic, we have made the decision to move our College of Social and Behavioral Sciences summer residencies to a synchronous online format. Residency dates, times, and content will remain the same, however instead of attending in the classroom here in Phoenix, you will use Blackboard Collaborate and other tools in our Blackboard online classroom from your home (or any other appropriate location). Although we are adjusting the curriculum and class activities to fit the online format, the rigor, course content, and clinical practical experiences will remain robust, in order to best provide students with the necessary practical hands on experiences and clinical content.

If you are scheduled to attend residency in July and August, please cancel your travel and lodging arrangements. Please refer to the classroom during the first week of your residency for additional faculty guidance as well as resources for utilizing Blackboard Collaborate.

Please contact your Academic Counselor should you have any questions.

Thank you and stay safe and healthy.

Sincerely,

Christina Neider, Ed.D.
USAF Veteran
Dean, College of Social and Behavioral Sciences
