## Help businesses operate at a higher level

Learn how to better manage people, processes and systems with a Bachelor of Science in Business with an Operations Management Certificate. This bachelor's degree program features a certificate option, which allows you to take core courses at the beginning of your degree program. The certificate you earn will be an additional credential, helping you move toward your career goals even before you graduate.

In this degree program, you'll learn about:

- Economics
- Finance
- Business law and ethics
- Management
- Marketing
- Organizational behavior
- Business statistical techniques
- Information systems

## Thinking of an MBA? Save time and money.

Take three MBA courses during your BSB program at the undergraduate tuition rate through our MBA Bridge Program. You'll save \$2,700 on tuition, earning both degrees in about five years. Contact an enrollment representative at 844.YES.UOPX for more information.

## What sets us apart?
