14 Elective courses

Elective courses allow you to learn about topics you’re interested in, whether they’re related to your degree or not. That means you’ll have a degree that’s unique to you and your education goals.

Schedule

Your academic counselor will help schedule your courses for an online communications degree.

If you are located in Phoenix, this program may be offered as Blended. This means you’ll start at the Phoenix campus to complete your general education courses, and then transition to online learning for your core program courses.

What you’ll learn

When you earn your on-campus* or online communications degree you’ll be equipped with a concrete set of skills you can apply on the job.

You’ll learn how to:

• Integrate theories and best practices to determine communication strategies.
• Develop communication plans for diverse purposes.
• Evaluate strategies for implementing communication plans in a variety of environments.
• Evaluate communication effectiveness for a variety of contexts.

*While widely available, not all programs are available to residents of all states. Please check with a University Enrollment Representative.
