## Take higher education to new heights

Gain a top-level view of the complex challenges facing educational communities — and the skills to address them through our Doctor of Education in Educational Leadership with a specialization in Higher Education Administration. Our distinctive Scholar-Practitioner-Leader SM Model helps you develop a blend of knowledge, skills and leadership abilities that can lead to greater personal and professional effectiveness. And our Doctoral Education Ecosystem™ surrounds you with support that includes access to experienced researchers, online dissertation research and writing tools, and grants, fellowships and scholarships.

This EdD/Higher Education Administration prepares you to:

- Guide institutions through strategic planning, fiscal oversight and outcomes assessment
- Evaluate legal and regulatory mandates and models of higher education governance
- Advance diversity in higher education, accrediting and regulatory bodies, and professional associations
- Execute your dissertation proposal, research and oral defense

We know it's hard work. We get it. And we've got you. You'll take just one course at a time — and courses are never more than eight weeks long so you can balance work and life on the path to your degree.

## Knowledge without boundaries

Advance your research goals, learn how to publish, and gain an overview of research funding and award opportunities through our online scholarly community, classes and events.

## Research centers

As a doctoral student in the School of Advanced Studies, you'll have access to our [University research centers](#). These discipline-specific centers are designed to help students, faculty and alumni expand their research portfolios and influence change in their fields.

## What sets us apart?

When you choose our Doctor of Education in Educational Leadership with a specialization in Higher Education Administration program, you can:

### Learn relevant curriculum

Our distinctive Scholar-Practitioner-Leader SM Model helps you develop a blend of knowledge, skills and leadership abilities that can lead to greater personal and professional effectiveness.

### Get the credit you deserve

If you have a master's degree from an accredited university, you may be eligible to receive up to 6 doctoral-level credits. Current doctoral students from an accredited university or college may be eligible to receive up to 39 credits based on previous doctoral coursework.

### Access a wealth of resources

Built for working adults, our hub of doctoral resources is designed to support your journey and dissertation process. This includes access to University research centers, experienced faculty and industry professionals ready to mentor you along the way.

- Provost

## Networking opportunities

Access powerful networking tools through our PhoenixLink™ career services platform. Take advantage of personal career coaching. Search and apply for jobs, or make your resumé visible to employers. And connect with employers and alumni through career fairs and mixers or with peers through the school's [Facebook®](#) group for doctoral students. It's all about connections. And we help you make them.

## Learning outcomes

Along with the knowledge and skills related to the University Learning Goals, students who graduate from the School of Advanced Studies should gain program-specific knowledge, skills and abilities. Each college or school creates a set of Program Student Learning Outcomes (PSLOs) to describe the knowledge, skills or attitudes students will possess upon completion of the program of study. By the time you complete your Doctor of Education in Educational Leadership with a specialization in Higher Education Administration degree, you should be able to perform these [learning outcomes](#).

The goal of accreditation is to ensure that education provided by institutions of higher education meets acceptable levels of quality. Accreditation is your assurance the University meets quality standards.

## Institutional accreditation

Regional accreditation is an institution-level accreditation status granted by one of six U.S. regional accrediting bodies. Accreditation by more than one regional accrediting body is not permitted by the U.S. Department of Education.

University of Phoenix is accredited by the Higher Learning Commission (HLC), [hlcommission.org](http://hlcommission.org). Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
