- CJA/325: Criminal Organizations

Schedule

Your academic counselor will help schedule your courses for a BS in Criminal Justice Administration.

If you are located in Phoenix, this program may be offered as Blended. This means you'll start at the Phoenix campus to complete your general education courses, and then transition to online learning for your core program courses.

What you'll learn

When you earn your on-campus or online BS in Criminal Justice Administration you'll be equipped with a concrete set of skills you can apply on the job.

You'll learn how to:

- Apply administrative practices within the criminal justice system.
- Apply professional dispositions and ethical conduct in criminal justice administration.
- Analyze procedures within criminal justice programs and public policies.
- Integrate research and theories in criminal justice administration.
- Evaluate innovative strategies for serving diverse populations within the criminal justice system.

Program Purpose Statement

The University's Criminal Justice programs are educational degree programs. For those interested in pursuing a career in law enforcement, corrections or as a peace officer with any particular local, state, federal, tribal or international agency, there are numerous additional qualifications (and often disqualifications), depending on the position. Before enrolling in a Criminal Justice program, potential students are highly encouraged to check with the relevant agency for a complete list of position requirements. The University makes no representations regarding whether any particular University program will qualify a graduate for any such position.
