## Post Master's Certificate in Educational Technology

Technology by itself doesn't improve learning. Teachers need qualified professionals to show them how to use it effectively. With our Post Master's Certificate in Educational Technology (CERT/D-ET), that professional could be you. Gain skills to help students achieve more with the help of technology. Credits earned in CERT/D-ET are transferrable toward our Doctor of Education with a focus in Educational Technology. However, this certificate does not lead to teacher licensure.
