## Post Master's Certificate in Research Essentials

New ideas are often built on the back of an existing body of knowledge. Learn how to make your contribution with our Post Master's Certificate in Research Essentials in as little as 10 months. You'll gain the skills to pursue a career as a field interviewer, research assistant or market survey representative.

### You'll learn how to:

- Apply research skills to respond to problems or issues in your organization
- Align the purpose of your research to ethical standards
- Apply qualitative and quantitative analyses to address research questions

## Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), [hlcommission.org](http://hlcommission.org). Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.

Total credits required:

---

**12**
