Graduate Accounting Certificate

If your knack for numbers needs an outlet, find it in our Graduate Accounting Certificate program. Designed to be completed in as little as seven months, this certificate can help you break into the field of accounting. And, since courses are just 6 weeks long, they won’t get in the way of your busy life.

You’ll learn how to:

- Apply accounting concepts to real-world situations
- Use analytical tools and technologies
- Consider legal, ethical and social values in accounting
- Make managerial accounting and capital budgeting statements
- Comply with federal tax laws
Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlccommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission.
Requirements and prerequisites

You’ll need 15 credits to complete this Graduate Accounting Certificate.
