Build a foundation in finance

Develop solid finance, budget and investment skills with a Graduate Finance Certificate. This certificate program is designed for students who want to develop financial management skills that can be applied in budget analysis, financial analysis or financial services industries.

In this certificate program, you'll:

- Learn to solve financial challenges within organizations
- Understand global finance opportunities
- Discover how to mitigate financial risk
- Utilize financial techniques to make investment decisions

You'll complete your program online in about eight months by taking just one 6-week course at a time, so you can balance work and life on the path to your certificate.

What sets us apart?

Learn on your schedule

Designed to fit into the lives of busy working adults, our Graduate Marketing Certificate can be completed in short, manageable, 6-week courses.

Pursue industry certification
