Graduate Health Care Management Certificate

The healthcare industry is evolving – and counting on fresh, strategic solutions from professionals like you. Earn your Graduate Health Care Management Certificate and prepare to become a leader in health services organizations, private or group practices, or the health insurance industry. Classes are just 6 weeks long, so they won't get in the way of your busy life.

You'll learn how to:

- Identify, analyze and solve complex management problems
- Study decision models used by healthcare managers
- Use tools, technologies and processes to manage change
- Address current issues in health law and ethics

Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.

Total credits required:

15
