Earn your Operations Management Certificate

Gain specialized skills that can help your workplace operate more efficiently with an Operations Management Certificate. Coursework can prepare you to examine logistics, implement quality control and manage business performance.

In this Operations Management Certificate program, you'll learn how to:

- Evaluate quality management
- Understand inventory systems
- Manage delivery of services
- Summarize purchase and procurement decisions

You can complete your certificate in as little as 7 months by taking just one 5-week course at a time, so you can balance work and life on the path to your certificate.

What sets us apart?

Tuition Guarantee

Lock in one affordable rate from start to finish on your degree program. And count on your tuition to be as dependable as your education.

Accreditation

University of Phoenix has been accredited by the Higher Learning Commission and its predecessor since 1978.

Support

Meet online faculty through live sessions. Receive ongoing support from your academic counselor. And tap into math and writing tutoring, networking events and career fairs at select campus locations.

Networking opportunities

Access powerful networking tools through our PhoenixLink™ career services platform. Take advantage of personal career coaching. Search and apply for jobs, or make your resumé visible to employers. And connect with employers and alumni through career fairs and mixers. It's all about connections. And we help you make them.

The goal of accreditation is to ensure that education provided by institutions of higher education meets acceptable levels of quality. Accreditation is your assurance the University meets quality standards.

Institutional accreditation

Regional accreditation is an institution-level accreditation status granted by one of six U.S. regional accrediting bodies. Accreditation by more than one regional accrediting body is not permitted by the U.S. Department of Education.

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
