Manage projects and processes

Learn specialized project management skills that translate to the workplace right away through our undergraduate Project Management Certificate. You'll experience a combination of study materials, team activities and class presentations designed to foster critical thinking, self-confidence, and the application of technical and leadership strategies.

In this Project Management Certificate program, you'll learn:

- Planning strategies for various workplace environments
- Project estimation and control techniques
- Technology and future trends in project management

Courses offered through our undergraduate Project Management Certificate are aligned with the educational standards set by the Project Management Institute (PMI®). They're designed to help students educationally prepare to sit for the nationally recognized Project Management Professional (PMP®) exam.

What sets us apart?

Tuition Guarantee

Lock in one affordable rate from start to finish on your degree program. And count on your tuition to be as dependable as your education.

Accreditation

University of Phoenix has been accredited by the Higher Learning Commission and its predecessor since 1978.

Support

Meet online faculty through live sessions. Receive ongoing support from your academic counselor. And tap into math and writing tutoring, networking events and career fairs at select campus locations.

Networking opportunities

Access powerful networking tools through our PhoenixLink™ career services platform. Take advantage of personal career coaching. Search and apply for jobs, or make your resumé visible to employers. And connect with employers and alumni through career fairs and mixers. It's all about connections. And we help you make them.

The goal of accreditation is to ensure that education provided by institutions of higher education meets acceptable levels of quality. Accreditation is your assurance the University meets quality standards.

Institutional accreditation

Regional accreditation is an institution-level accreditation status granted by one of six U.S. regional accrediting bodies. Accreditation by more than one regional accrediting body is not permitted by the U.S. Department of Education.

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
