Graduate Project Management Certificate

Behind every big initiative is someone with the drive to see it through to the end. In as little as seven months our Graduate Project Management Certificate can give you the skills to help organizations get things done. Courses are just 6 weeks long, so they won't get in the way of your busy life.

You'll learn how to:

- Estimate project costs and build timelines
- Use project management software
- Manage and motivate teams
- Track projects and measure progress

Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.

Total credits required:

18
