Graduate Alternative Pathway/Secondary Education Certificate

Are you changing careers, using an emergency teaching certification or preparing for teaching licensure? With our accelerated certificate program for a Graduate Alternative Pathway/Secondary Education Certificate, you could help students gain the skills they need to succeed on their educational journey. You'll prepare to be an effective classroom teacher and further develop your teaching experience at the secondary level. Credits from this certificate can be applied toward a Master of Arts in Education/Secondary Teacher Education.

You'll learn how to:

- Design and implement effective secondary classroom instruction
- Apply professional ethics to teaching practices
- Meet the instructional needs of diverse secondary student populations
- Create innovative strategies and incorporate technology into the classrooms

Graduate Alternative Pathway/Secondary Education Certificate

Institutional accreditation

Total credits required:

23

Requirements and prerequisites

You'll need 23 credits to complete this Graduate Alternative Pathway/Secondary Education Certificate. Your course schedule may vary based on transferable credits.

9 Core Courses

Here's where you'll pick up the bulk of your program-specific knowledge. By the time you finish these courses, you should have the confidence and skills needed in this field.

- MTE/503: ORIENTATION TO ALTERNATIVE PATHWAY CERTIFICATE
- APS/523: SECONDARY - EFFECTIVE LEARNING CLIMATES
- APS/508: SECONDARY - MODELS, THEORIES AND INSTRUCTIONAL STRATEGIES
- APES/514: SURVEY OF SPECIAL POPULATIONS
- SEI/506: STRUCTURED ENGLISH IMMERSION - SECONDARY
- APES/562: ASSESSMENT AND EVALUATION
- APS/542: SECONDARY CURRICULUM AND ASSESSMENT-READING METHODS
- APS/559: SECONDARY CONTENT METHODS
- APES/545: CLINICAL PRACTICE

1 Clinical Practice/Student Teaching Course

During your clinical practice experience — one of the final steps to complete your degree — you'll complete a rigorous student teaching experience where you will apply your instruction and classroom management skills full time. Working under the supervision of a teacher and a University of Phoenix faculty advisor, you'll develop lesson plans, teach, work with diverse student populations and incorporate technology into the classroom.

COE Central

College of Education students will find many helpful resources on [COE Central](#). Program handbooks provide a wealth of information on topics such as professional expectations, clinical experiences, clinical practice, internships, edTPA and much more. Milestone roadmaps, technology and multimedia resources, and various toolkits are also available.

Licensure Requirements

The Graduate Alternative Pathway/Secondary Education Certificate prepares candidates for initial teacher licensure as an secondary school teacher. Program requirements may change based upon state agency licensure requirements and they can be found at <https://www.phoenix.edu/colleges/college-of-education/teacher-licensure/state-requirements.html>. Please check this list regularly prior to contacting your state agency for state-specific requirements.

Schedule

Your academic counselor will help you schedule your classes for the Graduate Alternative Pathway/Secondary Education Certificate.

Program Purpose Statement

The Alternative Teaching Certificate in Secondary Education is a graduate-level certificate program intended to prepare students with no prior teaching experience for initial teacher licensure. The certificate program is designed for students who want to become secondary education teachers. Candidates for this certificate program have already earned a bachelor's degree. The certificate program includes a clinical component requiring field experiences and student teaching above and beyond program coursework. There may be additional qualifications and/or disqualifications applicable in order to work as a teacher with any local, state or federal entity. Requirements for licensure vary by state. [View your state's teacher licensure requirements.](#)

The following programs – BSEd/E, BSEd/ECH, MAEd/TED-E, MAEd/TED-S, MAEd/SPE, CERT/AP-E, CERT/AP-S, and CERT/AP-SE – provide the academic preparation to sit for initial teacher certification exams in select states.

Educator/Principal licensure requirements vary by state. Candidates located in a state that does not provide a direct path to licensure will be required to obtain Arizona certification first, prior to seeking licensure in their home state as an out-of-state prepared teacher/principal candidate. Arizona certification requires candidates to pass all Arizona-specific licensure requirements, including any Arizona-specific exams (or home state equivalents if recognized by Arizona Department of Education.) After obtaining an Arizona teacher/principal certificate, candidates can then apply for licensure in their home state and may be required to complete additional testing and/or requirements at additional cost. Program requirements may change based upon your home state's agency licensure requirements. Please visit the teacher licensure page <https://www.phoenix.edu/colleges/college-of-education/teacher-licensure/state-requirements.html> or the principal licensure page <https://www.phoenix.edu/colleges/college-of-education/principal-licensure.html> for state specific requirements prior to reaching out to your state agency.

While widely available, not all programs are available in all locations or in both online and on-campus formats. Please check with a University Enrollment Representative.
