## Shape education from the top down

Take your passion for teaching beyond the classroom. Our Post Master's Certificate in Curriculum and Instruction (CERT/D-CI) equips you with the skills to lead the creation of educational coursework, instructional techniques and student assessments. Credits earned in the CERT/D-CI program are transferable toward our Doctor of Education with a focus in Curriculum and Instruction. The CERT/D-CI does not lead to teacher licensure or any other professional licensure certification.

You'll learn how to:

- Understand your role in leading curriculum change.
- Design and evaluate curriculum to improve the performance of educational institutions.

## What sets us apart?

When you choose our online Post Master's Certificate in Curriculum and Instruction, you can:

### Lock in your tuition

We promise you'll keep the same affordable tuition until you complete your certificate program. Count on your tuition to be as dependable as your education.

### Learn on your schedule

Designed to fit into the lives of busy working adults, our Post Master's Certificate in Curriculum and Instruction can be completed one course at a time.

### Gain real-world insights

Our instructors work in the fields they teach. So you won't just learn how to impact education — you'll actually see how it's done.

## Job opportunities
