Post Master's Certificate in Curriculum and Instruction

Take your passion for teaching beyond the classroom. Our Post Master's Certificate in Curriculum and Instruction (CERT/D-CI) equips you with the skills to lead the creation of educational coursework, instructional techniques and student assessments. Credits earned for the CERT/D-CI are transferrable toward our Doctor of Education with a focus in Curriculum and Instruction. However, this certificate does not lead to teacher licensure.

You'll learn how to:

- Understand your role in leading curriculum change
- Design and evaluate curriculum to improve the performance of educational institutions

Projected job growth:

6%

According to [Bureau of Labor Statistics](#)

What can you do with a Post Master's Certificate in Curriculum and Instruction?

A CERT/D-CI can prepare you to be an:

- Instructional coordinator
- Senior instructional designer
- Instructional technologist
- Learning development specialist

According to the [Bureau of Labor Statistics](#), job growth for instructional coordinators is projected to be as fast as average between 2018 and 2028.

BLS projections are not specific to University of Phoenix students or graduates.

Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.

Total credits required:

15
