Graduate Health Care Compliance and Privacy Certificate

The factors that affect the quality of care apply to your hospital – and the healthcare industry at large. Learn how to write policies that can address such issues with our Graduate Health Care Compliance & Privacy Certificate (CERT/G-HCP). Classes are just 6 weeks long, so your CERT/G-HCP won't get in the way of your busy life.

You'll learn how to:

- Build the skills needed for compliance and privacy roles within healthcare
- Create compliance and privacy practices for diverse healthcare organizations
- Evaluate ethical issues concerning compliance and privacy practices in your industry

Graduate Health Care Compliance and Privacy Certificate
