Medical Records Certificate (Undergraduate)

Learn the entry-level, technical aspects of medical insurance, billing, coding and claims processing in approximately 10 months online. Our Medical Records Certificate prepares you to sit for the Certified Billing and Coding Specialist (CBCS) exam, a national certification offered through the National Healthcareer Association. If you decide to further your education, courses can be applied to our [Bachelor of Science in Health Administration](#) degree.

You'll learn how to:

- Correctly use anatomy and physiology terminology and disease diagnosis
- Execute medical billing and coding
- Understand medical insurance processes
- Comprehend medical claims processing and compliance

Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
