## Connect people to information with Network+

With our Network+ Technologies Certificate program, you’ll learn how computer networks are built, used, protected and maintained. Courses are aligned with the knowledge required for CompTIA® Network+® certification. You’ll complete your certificate online in as little 4 months by taking just one 5-week course at a time, so you can balance work and life on the path to your certificate.

In this certificate program, you’ll study:

- Maintaining, troubleshooting and configuring basic network infrastructure
- Basic hardware devices and usage
- Basic networking security concepts
- Basic interconnections of home and business computers to the internet

## What sets us apart?

**Learn from IT pros**

Our programs integrate real-world IT principles taught by faculty with an average of 26 years of experience as CEOs, CIOs, IT directors and other industry roles.

**Finish your degree faster**

Transfer eligible college credits or apply to have relevant industry certifications or licenses evaluated for potential credit.

**Prepare for your career**

Gain IT skills through courses that align with the CompTIA® Network+® certification exam.
Networking opportunities

Access powerful networking tools through our PhoenixLink™ career services platform. Take advantage of personal career coaching. Search and apply for jobs, or make your resumé visible to employers. And connect with employers and alumni through career fairs and mixers. It's all about connections. And we help you make them.

The goal of accreditation is to ensure that education provided by institutions of higher education meets acceptable levels of quality. Accreditation is your assurance the University meets quality standards.

Institutional accreditation

Regional accreditation is an institution-level accreditation status granted by one of six U.S. regional accrediting bodies. Accreditation by more than one regional accrediting body is not permitted by the U.S. Department of Education.

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
