Advance your nursing education

Prepare to take on leadership roles in administration, practice and educational settings through a Post-Master's Nursing Administrators Certificate. You can complete your certificate online in as little as 9 months by taking just one 6-week course at a time, so you can balance work and life on the path to your graduate certificate.

In this certificate program, you'll study:

- Organizational dynamics and systems thinking
- Continuous quality monitoring and outcomes improvement
- Human resources management
- Financial resources management in healthcare

Gain the educational preparation to play an integral role in the daily operations of a healthcare facility. Earn your Post-Master's Nursing Administrators Certificate.

What sets us apart?

When you choose our Post Master's Nursing Administrators Certificate, you can:

Prep for the national exam

We promise you'll keep the same affordable tuition until you complete your certificate program. Count on tuition to be as dependable as your education.

Learn on your schedule

Designed to fit into the lives of busy working adults, our Post Master's Nursing Administrators Certificate can be completed in short, manageable, 6-week courses.

Prepare for certification

Your coursework will prepare you to sit for the American Nurses Credentialing Center (ANCC) Nurse Executive Board Certification (NE-BC) exam.

Networking opportunities

Access powerful networking tools through our PhoenixLink™ career services platform. Take advantage of personal career coaching. Search and apply for jobs, or make your resumé visible to employers. And connect with employers and alumni through career fairs and mixers. It's all about connections. And we help you make them.

The goal of accreditation is to ensure that education provided by institutions of higher education meets acceptable levels of quality. Accreditation is your assurance the University meets quality standards.

Institutional accreditation

Regional accreditation is an institution-level accreditation status granted by one of six U.S. regional accrediting bodies. Accreditation by more than one regional accrediting body is not permitted by the U.S. Department of Education.

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.
